

Dear Parents,

Due to the growing number and severity of nut related allergies among children, we have decided to ban from our Center all foods containing any type of nuts. While we realize this may come as an inconvenience to some of you, please understand that we must be concerned with the health and safety of all the children in our care. Please see Carrie or your child's teacher with any questions concerning this matter. Your cooperation is greatly appreciated as the health and safety of all of our students is our number one priority.

Sincerely,  
Carrie and Staff
